

## **Tribute to RP(Bob)Mahy Trustee and former Chairman**

As an original Trustee of the North Taranaki Healthcare Trust Bob had a huge desire to continue to have medical services available to our community. He served as our Chairman from 2005-2020.

Over many years Bob was involved in many organisations to which he gave his time, expertise and effort. I would also like to thank his wife Sue for her support.

As a Clifton Ward Councillor on NPDC my first recollection of Bob was receiving a phone call from him in early 2003 inviting me to a meeting with other concerned local residents who were looking for funding sources to set up a new facility for our health services.

Bob brought his own experiences, individual and often practical skills to the Trust and through his networks he was always looking out for an opportunity that would benefit the Trust. He was always willing to express his opinion.

Bob can be very proud of the Trusts development during his time on the Board and we will miss your contributions.

The Trust's sincere sympathy goes to his wife Sue and family.

Gay Andrews

Chair, 15<sup>th</sup> February 2021

### Post Script

Initial conversations were initiated by the Waitara Doctors in 2000 when discussions with the original Trust members including Bob began regarding setting up the Waitara Health Centre as we know it.
